# SHOWING UP IS EXTRAORDINARY

CASA volunteers advocate for children in foster care, developing a relationship with them through outings, quality time, and most importantly, listening.

## THE CHALLENGE:

There are over 3,250 children and young adults under the jurisdiction of the Dependency Court in Orange County - which is overburdened and underfunded. The Dependency Court hears cases about children (minors) who are abused or neglected.

The average judge handles more than 800 cases per year; the average social worker carries up to 40 cases at one time, and an attorney may have over 100 cases at any moment.

50% of youth formerly in foster care are unemployed by the age of 24

1 out of 5 youth formerly in foster care will be homeless within one year of aging out of care

## THE SOLUTION:

### ADVOCACY

- In court advocacy and recommendations
- Educational Advocacy & Individual Education Program (IEP) Assessments
- Trauma-Informed Advocacy
- Mental Health Advocacy (assessments & therapeutic treatments)
- Family Connections Advocacy
- Early intervention support to prevent long term foster care status

### MENTORSHIP

- Two year commitment
- Outings twice a month with the child

## THE CASA IMPACT

A child with a CASA volunteer is more likely to have better outcomes both academically and behaviorally.

A child with a CASA volunteer is less likely to reenter the child welfare system. The proportion of reentries is consistently reduced by half

Youth in foster care have a 58% high school graduation rate...

...While children with CASA volunteers have a graduation rate of 92%

CASA volunteers are highly effective in getting their recommendations accepted in court. In four out of five cases, all or almost all CASA volunteer recommendations are accepted
